PURPOSE: Encourage. Equip. Engage.

The mission of the *Christian Business Faculty Association* is to assist and encourage Christian business faculty in the study, integration, teaching, and application of biblical truths in service to the academy, students, and the business community.

Application for Membership

Membership (with voting privileges) in the **Christian Business Faculty Association** is open to college and uni- versity faculty members who agree with the following tenets:

- That Jesus Christ is the Son of God and through His atonement is the mediator between God and man.
- That the word of God expressed in the Bible is inspired by God and is authoritative in the development of Christian faith and practice.
- That the Christian faith has significant implications for the structure and practice of business.
- That developing Christian education for business practice should be undertaken as a cooperative venture of this organization.
